KONFU

*Screw, the smallest part in industry, but it is also the most important part.*

*Without it, industry will no longer exist.*

*Truly, Taiwan is just a tiny island on the map, but Taiwan is also a Giant in the fastener world. Without Taiwan, the fastener business will lose its' brightness.*

*KONFU Enterprise, established in 1975, just like every other fraternities, we keep improving ourselves and expanding the scale steadily.*

*However, not like just other fraternities, KONFU dedicated to the field of forming tools since the moment that it was established.*

*We provide not only the forming tools, but also capable to design ones.*

*No matter the K.O. pins, main dies, punches, recess punch pins, thread rolling dies, or carbide pins, we have the confidence to cover them all.*

*KONFU has complete experience, to provide all kinds of forming tools, and has brought its' products and service to every corner in the world.*
